Welcome!

Whether you are a new or returning family, welcome to Claypit Hill School! This handbook has been prepared to provide answers to some of the questions you may have as a member of the Claypit Hill community.

Basics

School Hours

8:45 a.m. to 3:15 p.m., M, T, Th, F

8:45 a.m. to 2:05 p.m., Wednesdays

Unless they are enrolled in the before-school program (see BASE, page 3), children should arrive at school between 8:30 and 8:45 a.m. (See page 8 for drop-off guidelines).

When Kids are Absent or Arriving Late to School

"Safe Arrival Program" - Parents are required to email the school at ch_attendance@wayland.k12.ma.us to report their child's absence or late arrival. If the school does not receive an email, the school will recheck the child's classroom, contact the parents, check with siblings, call all other emergency numbers, school designee will drive to child's home, and if necessary contact the police.

Early Dismissal

If you need to pick up your child early from school, send a note to the teacher. Come to the office to pick up your child and to sign him or her out. Teachers have been instructed not to release students unless they are contacted by the office.

Sending Children Home With Others

Parents must send a note to school if their children are being picked up by someone else.

"No School" Announcements

Wayland Public Schools are rarely closed because of bad weather. When they are, it will be announced during early morning broadcasts on most major radio and TV stations. Parents will also receive an automated phone call from the office of the superintendent. Please do not call the police or fire department for information about school cancellation.

Emergency School Closing

In the unlikely event that a blizzard or other emergency forces the school to close before the usual dismissal time, parents will receive an automated call from the office of the superintendent. Please be certain that your children know where they should go if you are not at home.

General Administration

Student Records

Student records consist of two parts: the transcript (basic personal and academic data) and the temporary record (supporting academic information). To review any or all of your child's records, submit a request to the principal. Please see Appendix G for details about school records.

Class and Teacher Assignment

In May of each school year, grade level teachers along with specialists, guidance counselors, and special education teachers meet several times to create well-balanced groups of students for the following year. These groups are based on gender, academic achievement or needs, reading level, leadership qualities, and size. Once the groups are complete, the principal will make adjustments and assign a teacher. New students enrolled during the summer will be added to the groups.

It is appropriate for parents to write letters regarding the following: 1) if you would like to request that your child not be placed with a specific child due to personal experience; or 2) if you have concerns about an older sibling's experience with a specific teacher. This written information should be sent to the principal each year. It is not necessary to make an appointment or phone the principal or classroom teacher.

During the last week of school, children participate in Move-Along Day, during which they get to meet their next year's teacher and spend time in their new classroom.

Report Cards and Parent-Teacher Conferences

Report cards are issued to children in grades K through 5 in late January and on the last day of school. Parent-teacher conferences are scheduled twice during the school year: one in October/November, and one in February/March. Teachers will initiate additional conferences if they feel the need, and parents are encouraged to do the same.

Lunch

Lunch menus are published in the school newsletter and local weekly newspapers. Lunch, which includes milk, costs \$3.50 and milk only for \$1.00 and is charged against the computerized payment system. Families are encouraged to deposit money into their child's account. Free or reduced-priced lunches are available for families who qualify. Application forms are distributed at the beginning of every school year, and can be requested in the office at anytime throughout the year. For additional questions, call the Food Service office at 508-358-7904 or visit the district's website at http://www.wayland.k12.ma.us/administration/food_services.

Lost and Found

All unidentified articles found at school are placed in the hallway by the cafeteria. Unclaimed items are periodically sent to a charitable organization after parents are notified in the school newsletter.

Buses

Under Massachusetts General Laws chapter 71, Section 68, students in Grades K-6 who live more than two (2.0) miles walking distance to their district school are entitled to free transportation. Those students living more than two (2.0) walking miles distance as measured from the center line in front of the child's home to the official school bus drop area will be transported at district expense. Students living less than 2.0 miles from their school who wish to ride the school bus must purchase a bus pass for the entire year, payable in advance. The bus fee for the 2015-2016 school year is \$350.00 per student with a family maximum of \$1000.00. Further information about the district's fee-based transportation program is available on the district's website at

http://www.wayland.k12.ma.us/administration/student_transportation

or from the School Department's Business Office (2nd floor, Wayland Town Building).

Please see Appendix C for additional policies governing the use of bus transportation and the School Department's rules for conduct on and around buses.

Bicycles

Children may ride bikes to school at their parents' discretion. They should follow standard bicycle safety rules, and must wear helmets as required by state law.

Fire/Shelter-In Place/Lock-Down/ALICE

Drills are conducted regularly so children are be prepared to either remain safely in the building or to exit safely for any kind of emergency.

Stranger Awareness

Safety presentations are held for all children each year in school. Information about these presentations is sent home to parents.

Dogs

The Wayland leash law prohibits loose dogs. Leashed dogs are not to be on the premises during the day including 30 minutes before school and 30 minutes after school.

PTO

The Claypit Hill Parent Teacher Organization (PTO) includes parents, guardians and teachers who work together to support and enhance the education of the children at Claypit. (See Appendix for the PTO by-laws.) The primary purposes of the PTO are to promote communication among parents, teachers, the principal and the School Committee, and to raise funds to support educational activities. Meetings, which alternate between evenings and mornings, are held monthly and are open to all parents and teachers. Volunteer opportunities abound in all categories of interest and availability.

Claypit Hill School Council

The School Council is an elected school building-based committee composed of the principal, parents, teachers, and community members. The council's main focus is school improvement through site-based decision-making, cooperative planning and goal setting. Contact the PTO president if you are interested in serving on the Council. Members serve a two-year term.

Special Programs

BASE (Before/After School Extension)

BASE is an on-site, independently operated program offering educational and enrichment activities before and after the regular school day. As part of the Wayland School Community Programs (under the direction of the Superintendent of Schools and the School Committee), the program serves all three Wayland elementary schools and the Middle School. Information about BASE is available in all the schools, or by calling 655-6403.

METCO

METCO is a voluntary program designed to help suburban children experience an integrated learning environment as well as to provide a high-quality public school education for children from a racially- imbalanced urban school district. Funded by the Commonwealth of Massachusetts, METCO enables students from Boston to attend Wayland Public Schools, as well as other suburban school systems. It is the largest and oldest not-for-profit desegregation/integration program in America.

Global Languages

French, Spanish, and Chinese instruction is offered after school for a fee. Classes meet one afternoon a week for 50 minutes. Information about these programs is sent home at the start of the school year, and is available in the school office or by calling the Wayland School Community Programs at 655-6403.

Instrumental Music

Group instruction in string instruments is available starting in Grade 3, and instruction in brass, woodwind and percussion begins in Grade 4. Instrumental music lessons are provided during school hours for a fee. Children must purchase or rent instruments. Information is sent home at the end of each school year regarding music lessons and instrument rental for the upcoming school year.

Media/Communication Center

The Claypit Hill School Media/Communication Center makes available a wide range of materials for students at all grade levels. The rules governing the use of these materials are:

1. Books may be borrowed for a period of one week before they need to be returned or renewed.
2. Students are responsible for books they borrow.
3. Lost books must be replaced or paid for.

Special Education

The Wayland Schools provide a variety of programs for children who are evaluated and diagnosed as having special needs. Under Chapter 766 and Public Law 94-142, any child with special needs, ages 3 through 21, must receive services.

When a child has been formally identified as having special needs, an appropriate program is developed for him or her through a collaborative effort between teachers and parents. While the Wayland Public School's policy is to include children with special needs in regular classroom activities as much as possible, students also receive individualized instruction in reading and language arts, arithmetic, and study and work habits geared to each child's learning style and particular needs. Speech and language therapy, adaptive physical education, and other supplementary services are also available, as needed.

For more detailed information about special education services, speak with the principal or call the Wayland Public School's Director of Special Education (358-3757).

Health

Health Issues

A school nurse is on site daily, between 8:45 and 3:15. In case of accident or sudden illness, the nurse or other school staff will administer necessary first aid. If warranted, the parent will be called to take the child home or to his/her physician. In serious emergencies, the child will be transported to the nearest hospital by ambulance and the parents will be notified. The nurse is available to discuss any health concerns that may affect your child's learning. You may reach her at 508-357-3779.

Physical Exams

Reports of physical exams, including immunization records, are required for all kindergartners, new entrants, and all students in grades 4, 7, and 10. If a medical reason precludes immunization, a physician's statement to this effect must be presented before the child is admitted to school; if there is a religious reason, a statement must be submitted by the parent before admission.

Health Screenings

Yearly state-mandated screenings are conducted each year; vision for all grades, hearing for grade 1, 2, 3, postural for grade 5 and BMI screenings for grades 1 and 4. Parents may exempt their child by notifying the school nurse in writing. Parents/guardians will be notified only if the student does not pass the screening.

Medication

Children should never carry medication in school. Only the school nurse can administer medication. Whenever possible, a child's medication schedule should be arranged so that it may be taken at home.

When children need to take medication during school, parents must bring the medication, along with a completed medication order/permission form signed by both a parent and the child's physician, to the school nurse. Medication forms can be obtained from the school nurse or from the health link on the Claypit Hill web site.

All medication - both prescription and over-the-counter - must be in its original container. Prescription medication must have the pharmacy label. Prescription antibiotic medication given for 10 days or less does not require a written doctor's order. They do, however, require written parental permission and also must be in original container. First dose of an antibiotic will never be administered in a school setting.

Over the counter medications may be administered by the nurse with parental permission. Those include Ibuprofen, Tylenol, Benadryl, Tums, Bacitracin/Neosporin and Hydrocortisone cream. Parent permission is obtained on the student verification form filled out each September.

All medication forms must be submitted each school year.

Reactions to Insect Stings and Allergic Reactions

If your child has been diagnosed by a physician with a life threatening allergic reaction and requires an Epi-Pen,(Epinephrine) please inform the school. A doctor's order form and parent permission form must be completed and returned with a pharmacy labeled Epi-Pen. These forms can be obtained from the school nurse or from the health link on the Claypit Hill web site.

When should a student stay at home?

- If your child has vomited due to an illness, they should remain out of school for a minimum of 24 hours after vomiting has ceased.
- If your child has a fever of 100.4 degrees F or higher, they should remain out of school for 24 hours after the fever is gone without fever reducing medication.
- If your child has been treated with an antibiotic for a contagious infection, they need to be on an antibiotic for at least 24 hours before returning to school.

Head Lice: Diagnosis and Treatment

Head lice (pediculosis) are highly communicable and difficult to prevent, but can be controlled when parents frequently check the entire family's hair and scalp. This is not always a simple problem to deal with, but the following information should help you to identify and treat head lice safely.

How do you get lice? Many people associate lice with unclean people or homes. This is not true. Frequent bathing or shampooing will not prevent lice or eliminate them once they are established. Lice cannot jump or fly, and are only transmitted by contact with an infested person or by wearing infested clothing or using an infested comb or brush. Children should therefore be warned against sharing hats, clothing or grooming aids with others. Household pets do not transmit lice.

What to look for: Lice are small insects about the size of a sesame seed. They are usually light brown but can vary in color. They move quickly and shy away from light, making it difficult to see them. Diagnosis is more often made on the basis of finding nits (eggs). These are tiny, yellowish-white oval-shaped specks attached to the hair shafts near the scalp. Viable nits may be found at any distance from the scalp. As she deposits her eggs, the female louse cements them to the hairs and unlike lint or dandruff, they will not wash off or blow away. Nits may be found throughout the hair, but are most often located at the nape of the neck, behind the ears, and frequently on the crown of the head. It helps to use a magnifying glass and natural light when searching for them.

Symptoms of infestation: The itching that occurs when lice bite and suck blood from the scalp is a primary symptom of infestation, although not everyone will experience the itching. Children seen scratching their heads frequently should be examined. Often, red bite marks or scratch marks can be seen on the scalp and neck.

Treatment: Treatment is directed both toward the individual and his/her personal articles and environment. Before one family member is treated, all should be examined. Those showing evidence of infestation should all be treated at the same time. Check with your pediatrician. There are several pediculocidal products available.

If you would like additional information, please contact your school nurse at 508-358-3779.

Communications

Addressing Problems and Concerns

Parents with problems or concerns that they wish to bring to the attention of appropriate school officials may find the following guidelines helpful:

- Any concern regarding a school-related matter should first be raised with the staff member most directly involved (e.g., questions regarding the content of instructional materials or homework assignments should be raised directly with the teacher).
- If the matter remains unresolved, the parent may wish to speak with the Principal. Appointments can be scheduled by contacting the office at 508-358-7401
- If the matter still is unresolved, the parent may wish to speak with the Superintendent. For an appointment, simply contact the Superintendent of Schools at 508-358-3763.

- If the matter still remains unresolved, the parent may bring it to the attention of the School Committee by requesting that the superintendent, as the executive officer to the School Committee, place the matter on the agenda or by communicating directly with the chairman of the School Committee.

The following are examples of issues that are more appropriately raised at the level indicated:

Teachers

All teachers have mailboxes in the office where phone messages and notes can be left, including requests for meetings or phone calls. Typical issues addressed with teachers include:

- Student homework assignments, quizzes, and tests
- Course content, instructional materials
- Issues related to student discipline

Guidance Counselors

- Personal matters relating to students
- Problems between school and home; between teacher and pupil

Principal

- Any issue for which no other staff member can be identified
- Student placement issues
- Instructional and co-curricular program issues
- Matters relating to the physical plant
- Complaints, dissatisfaction or concerns regarding school personnel
- Student records

Superintendent

- Any questions regarding School Committee policies and administrative procedures
- School Committee meetings and agenda items
- Any school system records or documents
- Budgetary matters
- Hiring and supervision of staff
- Instructional programs
- Complaints, dissatisfaction, or concerns regarding school personnel or services, which have not been resolved at the Principal's level.
- Suggestions or requests for changes in the curriculum
- Transportation matters

School Committee

- Any matters pertaining to policy
- Requests for specific courses and programs
- Complaints regarding school personnel or services
- School Committee minutes and agenda items (Chairman of School Committee)
- Budgetary matters

Discipline

"Some of the best lessons we ever learn are learned from past mistakes. The error of the past is the wisdom and success of the future. It is the highest form of self-respect to admit our errors and mistakes and make amends for them." --Dale E. Turner

At Claypit Hill School, we understand that making mistakes is a normal and expected part of childhood. With the right support, mistakes can become opportunities to foster individual growth, self-discipline, personal responsibility and appropriate social-emotional interactions. Our school believes that creating and fostering a safe, supportive and welcoming school community is among the most important things we can do to support children's social and emotional well-being at school, and to mitigate the need for other kinds of disciplinary measures.

Part 1: Prevention The Proactive Approach to Discipline

Open Circle, **Social Thinking**, and **Responsive Classroom** are used by the Wayland school system to foster social-emotional learning. This learning helps students to avoid common pitfalls and mistakes by working through scenarios in advance within the classroom setting. All curricula begin in kindergarten and continue through the end of fifth grade.

- **Open Circle** curriculum is an opportunity for students to regularly engage and discuss increasingly complex social issues in a small group setting. Open Circle provides a unique, evidence-based social and emotional learning program, which proactively develops children's social and emotional skills, including managing emotions, empathy, positive relationships and problem solving. Open Circle helps Claypit to build a community where students feel safe, cared for and engaged in learning.
- **Responsive Classroom** is a research-based approach to teaching that focuses on the strong link between academic success and social-emotional skills. Independent research has found that the Responsive Classroom approach is associated with higher academic achievement in math and reading, improved school climate, and higher-quality instruction. The Collaborative for Academic, Social, and Emotional Learning (CASEL) claims that Responsive Classroom is one of the most "well-designed evidence-based social and emotional learning programs".
- **Social Thinking** curriculum teaches students social problem solving, social-emotional interpretation and social skills. This curriculum helps each student develop self-awareness, perspective taking, and self-management skills. Social goals can include learning to relate to others, working effectively as part of a team, and learning effectively as part of a group. Social Thinking has created an evidence-based methodology that includes frameworks, activities, strategies, and Social Thinking Vocabulary to teach better awareness and use of social thinking and related social skills for people ages 4 years through adulthood.

In addition to using these curricula and philosophies to foster social and emotional growth, teachers facilitate student development by creating and maintaining an empathetic connection to each individual student, so that a base of trust may be established. Teachers build connections with students one on one throughout the school year, so that when inappropriate behavior occurs, the foundation exists to thoughtfully and effectively help each student:

- identify motivations for their actions
- determine ways to do better next time
- find solutions and problem solve
- make meaningful amends that go beyond simple apologies.

This process works best when solutions to discipline issues are a collaboration between all involved parties, and when the student plays a **central role** in stating the natural consequences and deciding what **logical consequences** and **amends** should take place, if any. When participants in the dialogue are also able to **take responsibility for their actions, words, and mistakes**, personal growth is fostered. Teachers may choose to model this process for students whenever they have an opportunity to do so. Teachers, counselors, and administrators can help with the process of setting these goals. They are also present after the fact with kind, fair, and firm follow-through to ensure goals are met.

Part 2: Intervention

The Reactive Approach to Discipline

While teachers and administration strive for consistency in helping students take responsibility and make amends for mistakes, they also consider each incident individually and take extenuating circumstances into account when appropriate. The student's capacity, age, limitations, behavioral patterns, and any personal situation that might affect mood or behavior are all taken into account when helping students work through problems, and while setting appropriate limits, requirements and guidelines throughout the disciplinary process. While some students are capable of being self-sufficient during this process, others may need support and suggestions for many of the steps involved.

Discipline scenarios at Claypit are generally handled in the following three stages: **discussion**, **planning**, and **follow through**.

1. **Discussion:** Students and adults come together and discuss what happened. The initial focus of this conversation is on making sure everyone is safe, and once that is established, the focus turns to open discussion and problem solving. Everyone involved in a conflict or situation, regardless of age, might benefit from a self-examination of the situation from a perspective of **personal motivation, honesty** and **accountability**. Time to think independently about the following questions both before and after a discussion may also benefit everyone.

- **Motivation:** "If I understand why I acted this way, I can find acceptable alternatives and solutions in the present. I can also find a better way to handle a similar situation next time."

- **Honesty:** "If I am honest, even when I am scared, I will feel good about myself and I will be believed in the future. Honesty fosters trust."
- **Accountability:** "If I take responsibility for my actions, I can fix this, make amends and solve this problem."

2. **Planning:** Once the initial conversation takes place to establish what happened, the student, with help if needed, can start working on a plan to **take responsibility, define natural consequences, and make a better plan for next time.** Teachers and students can cooperatively and collaboratively determine in each instance what steps are necessary. In simple cases this process might be verbal and quick, and for more serious or complex issues, involved parties should be encouraged to take time to reflect and plan. Sometimes, the teacher or principal will let the parent know what happened so that the work of restitution can continue at home with the parent. In such cases, it might mean a few days of careful thought, some writing or self-recording, actionable amends chosen by the student, and enlisting help throughout the process of supportive adults such as parents, teachers, and the principal.

- **Taking responsibility** means answering one or more of the following questions:
 - What was my role in this?
 - What could I have done differently?
 - Was I respectful, kind, fair, and safe?
- **Defining natural consequences** means answering one or more of the following questions:
 - What did my actions cause that otherwise might not have happened?
 - If someone else was involved, how did I affect them? How did this make them feel?
 - What could have happened as a result of my actions?
 - Why should I avoid doing this in the future?
- **Making a better plan for next time** means answering one or more of the following questions:
 - In what ways could I have handled this differently?
 - The next time something like this happens I will _____ or _____ instead.
 - The next time I feel this way I will _____ or _____ instead.

3. **Follow Through:** When thinking about **making restitution or amends** for a mistake, students are encouraged to consider **logical consequences.** In trying to figure out logical consequences, it may help to answer the following questions:

- How can I make up for my mistake?
- What related work can I do to make up for what I did?
- What action can I take to fix what I did, to the best of my ability?
- What can I do to make the other person feel better/safe?

The best amends are those that chosen by the student. It will sometimes be the case that a student may want to do more to make amends than an adult would ever ask of them, so in part this is a supported negotiation--what is reasonable? What is fair? Taking responsibility and making amends is a learning opportunity, and children learn best by doing, by taking responsibility for themselves, and by choosing their own amends.

In some cases, a sincere and thoughtful apology may go a long way, but sometimes it's not enough. Students should be encouraged to find reasonable ways to **make amends or restitution** that are connected to the mistake they made. For example, if the student left trash on the playground, she might decide a **logical consequence** of this mistake is volunteering to pick up trash outside. She might also decide to research and write an essay about biodegradability and the importance of respecting the environment. Options that a student might choose for restitution are not limited to, but may include one or more of the following:

- a verbal apology
- a written apology or apologies
- a written statement of responsibility
- a written plan for the future
- community service
- volunteering in some capacity at Claypit
- helping the other party in some way
- a written pledge to help in a concrete way

Once students and adults are in agreement on a **plan of action**, the plan can be executed at home and/or in school. Students and teachers are encouraged to work hard to find collaborative, reasonable solutions and/or amends that work for all involved parties.

Part 3: Serious Violations When Safety is a Concern

Here at Claypit, we will work with families and students to seek the least restrictive response to serious misbehavior that keeps all students emotionally and physically safe. More serious violations of the school rules are rare, but if they do occur, the principal or other person in charge may choose to also do one or more of the following:

- Call the parents/guardians in for an emergency conference
- Remove the student from the classroom immediately in accordance with Wayland School Suspension Policy
- Inspect a student's desk or personal belongings if he/she feels it is necessary in order to ensure the safety of any student(s) or adult(s)
- Call the police

Examples of serious misbehavior include all behaviors that put the student or other students at serious risk of physical or emotional harm.

Once the busses are loaded, vehicles will not be permitted to leave the lot until all the busses have gone. All vehicles exit the school grounds via the North/West side of Adams Lane (Three Ponds Road/Claypit Hill Road).
5. Visitor parking is limited. If the Visitors' Lot is full, you may park on the grassy area to the far side of Adams Lane. The Staff Lot is reserved for Staff only. If no parking is available, please join the drop-off or pick-up line. We will supervise your children if necessary until you arrive.

SPEED LIMIT in School Zone is 20 MPH.
Please drive with care and put away the cell phone.

FREQUENTLY ASKED QUESTIONS

- ***What if I am coming early, late, or mid-day?*** From 8:00-9:00 a.m. and 2:30-3:30 p.m. (1:30-2:30 p.m. on Wednesdays), vehicles should enter from the East/South entrance to Adams Lane. At all other times, vehicles may enter school grounds from either direction.
- ***Do I have to go around if I am coming from Three Ponds Road?*** Drivers coming from Three Ponds Road should turn right onto Adams Lane and loop around to ensure the orderly flow of traffic and avoid the potential safety concerns of having bi-directional traffic and walkers trying to navigate a narrow, busy intersection.
- ***At drop-off, can I enter the circle if the busses are gone?*** You may enter the circle only if directed to do so by the traffic supervisor or school officials. If busses run late, the circle must remain clear for safe unloading. It is illegal to pass a stopped school bus that is unloading.
- ***Can I drop off before 8:30 a.m.?*** Children should not be dropped off before 8:30 a.m. Supervision of children is not available until 8:30 a.m.
- ***How long is the pick-up line?*** The pick-up line is generally clear by 3:30 p.m.
- ***What if I am late because I am stuck in the pick-up line or I can't park?*** Staff members will supervise until all children are accounted for. We recognize that there is a fair amount of traffic at pick-up and that it can be difficult to park. Parents should remind their children to stay by the entrance to the school until they are picked up.
- ***When can I turn left out of school grounds?*** At all times except 8:00-9:00 a.m. and 2:30-3:30 p.m. (1:30-2:30 p.m. on Wednesdays), when vehicles should proceed straight onto Adams Lane in the northerly/westerly direction.
- ***Can the traffic supervisor make exceptions?*** No. The traffic supervisor directs traffic to follow the traffic plan stipulated by School Officials and the Wayland Police.

SAFE ARRIVAL PROGRAM

What is the Safe Arrival Program?

- A program that ensures that every child in the school is accounted for at the start of each day.

Are all Claypit children enrolled in this program?

- **YES** all children are part of this program.

How does this program operate?

- Families email the school at **ch_attendance@wayland.k12.ma.us** before 8:45 AM and leave a message stating that their child(ren) will be absent or late. **Message should include: child's name, teacher's name, date(s) of absence.** Anticipated future absences or late arrivals can also be sent in ahead of time.
- The office staff keeps a log of all emails.
- Classroom attendance is sent to the office and cross checked with the messages at 8:45 AM

If a child is *still* unaccounted for, the office staff then:

- Rechecks the child's classroom
- Contacts the parents at home(s) or work
- Checks with his or her siblings (if any)
- Phones emergency contacts
- Principal or designee drives to child's home
- Police are contacted

School Department Policies Regarding Bus Transportation

POLICIES

1. Students may only ride their assigned bus with (paid fee) bus pass.
2. School buses are equipped with seat belts, but a student's use of seat belts is neither guaranteed nor required. Each fall, students are instructed in their proper use.
3. Bus drivers must pick up only at scheduled stops: they are not required to admit students who are not assigned to that particular bus. Drivers are required not to exceed the legal bus capacity.

Rules for Conduct On and Around Buses

1. While waiting for the bus, children should remain well back from the road and refrain from throwing things.
2. Riders should enter the bus in an orderly fashion, go directly to a seat and remain seated until the bus reaches its destination.
3. There should be no littering or defacing of buses.
4. There should be no shouting, roughhousing or throwing of objects in the bus.
5. Riders must keep arms, hands and heads inside the bus.
6. Riders must get on and off the bus only at their regularly scheduled stops.
7. All articles such as athletic equipment, books, musical instruments and the like must be kept out of the aisles. No large projects or objects may be brought on the bus. All

The driver will stop his/her bus with the warning lights flashing until the children are safely across the street. Claypit Hill School students are not permitted to cross Old Sudbury Rd., Concord Rd., Cochituate Rd., Boston Post Rd, and Commonwealth Rd.

Homework
ELEMENTARY HOMEWORK GUIDELINES
August, 2012

Elementary School Homework Philosophy

- **In Wayland, time spent on homework should be *balanced* with the importance of personal and family well-being, and the wide array of family obligations experienced in our society today.**
- Educators and parents share one common goal-to help each student in our schools be successful. Each group plays an important role in student achievement. Students learn best when they, their parents, and their schools work together.

Purpose and Types of Homework:

Practice: The student refines and strengthens skills previously taught in class through repetition of simple applications, reading and writing.

Preparation: The completion of this type of assignment makes future lessons more meaningful. Reading and familiarization with facts and ideas characterize this type of homework.

Extension: This is the application of skills and concepts that requires higher level thinking skills and problem solving.

Grades 3, 4 and 5:

Integration: Successful completion of the assignment requires coordinating and combining skills and concepts.

Grade 1	Total time 15-25 minutes, including reading, Monday - Thursday
Grade 2	Total time 20-30 minutes, including reading, Monday - Thursday
Grade 3	Total time 30-45 minutes, including reading, Monday - Thursday
Grade 4	Total time 30-45 minutes, including reading, Monday - Thursday
Grade 5	Total time 45-60 minutes, including reading, Monday - Thursday

Notes:

- Reading also includes having adults reading to children.
- Students should be encouraged to read on weekends and vacations

Tips for Parents

- Praise, reassure and motivate your child to persevere. Homework should never be used as a punishment
- Check your child's assignment notebook, folder or website nightly
- Provide a time, place and supplies to do homework assignments with limited interruptions
- Support your child and provide assistance, without doing the work for them
- Oversee completion of long-term assignments to assist in understanding time management
- Contact the teacher with questions or concerns, especially if your child needs more time or support to complete assignments.
- In addition, enrichment activities are readily available on the school website.

Tips for Students

- Always put forth your best effort.
- Understand assignments clearly before leaving class
- Bring home the proper materials to complete the assignments
- Talk with your parents and teacher if you have problems with homework
- Budget time properly for long-term assignments
- Complete any work missed due to absence from class
- Utilize classmates and/or class websites if available for assignment information

In our elementary schools our goal is to make students aware that learning occurs in school, at home and in the world around them. Homework should be the result of collaborative efforts, thoughtfully considered and coordinated to improve student learning. We strongly encourage that students and/or parents consult with the classroom teacher as soon as possible when there are questions regarding homework. We strive to make this a positive experience for our students.

(These Guidelines are a compilation of excerpts and ideas from the following Homework Guidelines/Policies: Wayland; Sudbury; Newton; Arlington; Medfield; Braintree; Hudson; Wellesley; Shrewsbury; Frederick County, Virginia; California Public School State Standards; Highlands, New Jersey)

Chapter 622 to Prohibit Discrimination in Public Schools

The following legislation affecting public schools was passed August, 1971. The law, Chapter 622 of the General Laws, Acts of 1971, is referred to as "An Act to Prohibit Discrimination in the Public Schools." The law reads as follows:

"No person shall be excluded from or discriminated against in admission to a public school of any town, or in obtaining the advantages, privileges and courses of study of such school on account of race, color, sex, religion, national origin, or sexual orientation."

This law, as does Federal Law Title IX, makes it clear that all aspects of public school education must be fully open and available to members of both sexes and of minority groups. No school may exclude a child from any course, activity, service or resource available in that public school on account of race, color, sex, religion, sexual orientation or national origin of such child.

On June 24, 1975, the State Board of Education approved regulations for Chapter 622. These regulations address five areas of school policy: school admissions, admission to courses of study, guidance, course content and extracurricular and athletic activities.

If you have any questions regarding Chapter 622, please do not hesitate to contact the principal. Copies of the law and the regulations can be obtained from the Bureau of Equal Educational Opportunity, 182 Tremont St., Boston, Mass. 02111, and (617) 727-5880.

The Assistant Superintendent of Schools has been appointed as the Coordinator of Chapter 622 and Title IX programs for the Wayland Public Schools. If, after contacting your principal relative to these programs, you have further questions or concerns, you may contact the Assistant Superintendent of Schools by calling 358-7728.

WAYLAND PUBLIC SCHOOLS

Procedures for Resolving Complaints of Harassment
(Including Sexual Harassment)

INTRODUCTION AND SUMMARY OF OPTIONS

The procedures described below are available whenever someone believes that a member of the Wayland Public Schools community or one of its employees has violated the school's policy on harassment. Under these procedures, someone who believes that s/he, or someone else, has been the victim of harassment is a complainant; any individual who has been accused of harassment, formally or informally, is a respondent.

The Wayland Public Schools offers a range of options when someone believes that harassment has occurred. These include: (a) individual consultation, (b) informal complaint resolution, and (c) formal complaint resolution. Each is summarized below, first briefly, and then in more detail. Any member of the Wayland Public Schools community who seeks further information about these procedures is encouraged to contact Brad Crozier, Assistant Superintendent, Title VI and Title IX Coordinator (358-3773) or Marlene Dodyk, Director of Student Services, Section 504 Coordinator (358-3756).

Below is summarized the three options available in dealing with sexual harassment.

Individual Consultation - The Wayland Public Schools employs in each building person(s) who can provide informal support and guidance to members of the community concerning allegations of harassment. No written records are kept. For further information, see the following sections below: A. Confidentiality, and D.I. Individual Consultation.

Informal Complaint Resolution - A concerned individual may turn to designate Wayland Public Schools personnel for action short of a formal hearing, For a complainant, such action may include informal mediation, arranging a meeting with the respondent, and/or helping in communicating with the respondent, Written records may be kept. Taking an informal approach at the outset does not preclude formal action later. For further information, see the following sections below:

A. Confidentiality, and D.2. Informal Complaint Resolution.

Formal Complaint Resolution - The formal process begins when a written, signed complaint is filed with a Wayland Public Schools administrator. The administrator, acting on information she/he has received, may also initiate the formal process on behalf of the Wayland Public Schools. Filing a formal complaint ordinarily means a full investigation by a trained investigator. If both complainant and respondent agree, the dispute may become the subject of formal mediation, involving one or more trained mediators. The dispute may also be submitted for a

formal hearing. For further information, see the following sections below: A. Confidentiality, and D.3. Formal Complaint Resolution.

PROCEDURAL GUIDELINES

- A. **Confidentiality** - Wayland Public Schools recognize that both the complainant and the respondent may have strong interests in maintaining the confidentiality of allegations and related information. Accordingly, unless they authorize disclosure, individuals who share information with Wayland Public Schools officials may expect that their conversations will ordinarily remain confidential. In unusual circumstances, however - when information must by law be disclosed (for example, - when information received indicates a threat to safety, or when a formal written complaint has been filed) - it may be necessary to disclose it to Wayland Public Schools officials or others. An individual who has concerns about confidentiality should raise them early in the process.
- B. **Legal Remedies** -An employee who has been subject to sexual harassment has several legal options. S/he may bring suit under Federal or State Sex Discrimination laws, under Massachusetts's statutes, which explicitly prohibit sexual harassment, or under common law tort theories such as assault. An employee may also pursue any grievance and arbitration procedures established by a collective bargaining agreement and/or may file a charge with the Massachusetts Commission Against Discrimination ("MCAD") or the Equal Employment Opportunity Commission ("EEOC"). The MCAD and EEOC will pursue the charge with no cost to the employee.

A student who has been harassed may file a complaint under Title IX. The United States Supreme Court has held that a student may recover damages in such an action. A student may also sue under tort theories and may bring a charge with the Office for Civil Rights. Under certain circumstances, sexual harassment may constitute child abuse under Massachusetts Law, G,L,C. 119 §51A. Wayland Public Schools shall comply with Massachusetts laws in reporting suspected cases of child abuse.

Use of these procedures does not preclude subsequent legal action. Similarly, the fact that legal action has begun or is possible does not preclude use of these procedures. Individuals may therefore wish to obtain legal advice as they consider how to proceed,

The Wayland Public Schools intends to protect the rights of all individuals who may become involved with the investigation of a complaint of sexual harassment.

- C. **Preventative Administrative Responsibility**
1. A copy of the Wayland Public Schools Policy on Harassment and these Procedures for Resolving Complaints of Sexual Harassment is to be distributed to each employee and included in the School/Student Handbook of each school.
 2. All new employees shall be given a copy of the policy within one week of their beginning employment.

3. At the beginning of each school year, each principal or supervisor shall review with all employees the procedures for registering a complaint about harassment and shall review the redresses, which are available.
4. No principal or supervisor shall destroy evidence relevant to an investigation of discrimination or harassment.

D. Specific Procedures for Employees and Students

- I. Individual Consultation** - Wayland Public Schools has trained persons who can provide informal support and guidance to individual members of the community on issues of harassment. A complainant, respondent, or concerned member of the committee may make use of such persons in order to:
- a. discuss a specific situation or incident;
 - b. learn about Wayland Public Schools Procedure for Resolving Complaints of Sexual Harassment;
 - c. learn about support services and resources;
 - d. get personal support and advice on how to proceed, and e. determine a course of action.

For example, the support person may help the complainant write a letter to the respondent or suggest ways in which the complainant can approach the respondent (the support person to one party should not, however, contact or meet with the other party). If an Informal Complaint or a Formal Complaint is lodged, the support person may accompany and assist the individual through the complaint resolution process.

No written records of individual consultations are kept. For further information on confidentiality, see the Confidentiality section above.

The names, titles and telephone numbers of individuals trained to serve as support persons are listed in the attachment.

2. Informal Complaint Resolution - Sometimes harassment issues are easier to resolve when an informal atmosphere encourages people to identify the difficulty, talk it out, and agree on how to deal with it. Informal Complaint Resolution is available to a complainant who seeks the help of a specially-trained school official, but does not wish to file a formal complaint. Written records may be kept (see section A. Confidentiality).

All the services available through individual consultation - information, advice, and support - are also available here to the complainant, the respondent, or a concerned community member. In addition, depending on the circumstances, the following options are also available:

Informal investigation, in which one of the designated school officials speaks with the parties and with other individuals who may have information about the situation.

Informal mediation, in which a school official may help the complainant bring the problem to the respondent's attention, speak with the respondent and other witnesses, and help the parties arrive at a mutually-acceptable solution. Such a resolution may or may not entail a face-to-face meeting of the complainant and respondent. Mediation should be conducted only with the consent of both parties.

School officials authorized to engage in Informal Complaint Resolutions are listed in the attachment.

Possible conflicts exist between the roles of support person, investigator, and mediator. A school official who foresees such a conflict should avoid it by requesting assistance from another designated official. The individual should also call any such conflict to the attention of the officials involved. Each designated school official may, as needed, convene a meeting of other such officials.

Throughout the Informal Complaint Resolution process, the complainant and respondent may each be accompanied by the support person from the individual consultation stage, another adviser, or another support person from the school community.

3. **Formal Complaint Resolution** - Anyone who believes that harassment has occurred may choose, either initially or after having sought to resolve the matter informally, to bring a complaint through the Wayland Public Schools formal procedures, one outcome of which may be disciplinary action against the respondent. The purpose of the Formal Complaint Resolution process is to ensure prompt, fair, and formal resolution of a complaint of harassment. Please consult the Wayland Public Schools Administrative Procedures: Complaints Regarding Personnel, a copy of which is attached.

Student Record Regulations
FERPA
Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. The rights are:

1. The right to inspect and review the student's education records within 45 days of the day the School receives a request for access.
Parents or eligible students should submit to the School principal a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
Parents or eligible students who wish to ask the School to amend a record should write the School principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorized disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington DC 20202-5920

Student Rights

Rights belong to students upon reaching 14 years of age or upon entering the ninth grade, whichever comes first.

- 1) Student records consist of two parts: the transcript (contains minimum information necessary to reflect the student's educational progress - name; address; course titles; grades; course credit; grade level completed; year completed) and the temporary record (contains all other information -standardized test results; class rank; school-sponsored extra-curricular activities; evaluations and comments by teachers, counselors, and other persons; disciplinary records).
- 2) Student transcripts may only be destroyed 60 years following graduation, transfer, or withdrawal from the school system.
- 3) When a student transfers, the school district should keep the original transcript and send a copy of the transcript to the new school.
- 4) School districts must provide written notification of the anticipated date of destruction of students' temporary records. Notice in the newspaper is not sufficient. Notice should be included in graduation packets, and must also be given to a student at the time of transfer or withdrawal from the school system. (When a student leaves the system to begin home schooling, the principal should provide written notice.)
- 5) School districts must keep temporary records for seven years after the submission of the annual End of Year Pupil and Financial Reports. The data to keep pertains to registers, pupil census, IEPs, etc. that substantiate figures on reports.
- 6) If immunizations are administered in the district, documentation must be kept for 10 years following the calendar year in which the vaccine was administered.
- 7) Health records of a transferring student should be sent by the school nurse directly to the school nurse of the new school.
- 8) As per 603 CMR 23.00: Student records, except for the provisions of CIVIR 23.07(4)(a) through 23.07(4)(h), no third party shall have access to information in or from a student record without the specific, informed written consent of the eligible student or the parent. Exceptions include the policy of this school to forward student's records to schools in which a student seeks or intends to enroll. For a complete copy of regulations regarding the release of student records, you may contact your child's school or see the regulations at www.doe.mass.edu/lawsregs/603cmr23/studrecscmr.html.

Said policies shall prohibit the use of any tobacco products within the school buildings, the school facilities or on the school grounds or on school buses by any individual, including school personnel. Upon completion of a counseling session, a follow-up assessment shall be made of said student by those involved in the initial assessment.

A student transferring into a local system must provide the new school system with a complete school record of entering student. Said record shall include, but not be limited to, any incidents involving suspension or violation of criminal acts or any incident reports in which such student was charged with any suspended act.

Definitions:

1. **Short Term, In-School Suspension** is the removal of a student from regular classroom activities for ten (10) consecutive or cumulative school days or less in one school year. Please note that removal from participation in extracurricular activities does not count as a removal from school in calculating the duration of a suspension.

A long term suspension may be served in school. Except for M.G.L. c. 71, sects. 37H and 37H1/2 offenses, a long term suspension may not be imposed for more than ninety (90) school days in a school year and does not extend from school year to school year.

6. Principal refers to the Principal or his/her designee. Superintendent of Schools refers to
the Wayland Public Schools Superintendent of Schools or his/her designee.

PROCEDURES FOR A SHORT TERM IN-SCHOOL SUSPENSION

A short term, in-school suspension may be used as an alternative to short-term, out-of-school suspension. An in-school suspension means the removal of a student from regular classroom activities, but not from the school premises, for no more than ten (10) consecutive school days, or no more than ten (10) school days cumulatively for multiple infractions in one school year.

If the Principal chooses this alternative, the Principal shall inform the student of the disciplinary offense charged and the basis for that charge; the Principal shall provide the student an opportunity to dispute the charge and explain the circumstances surrounding the charge. If an in-school suspension is issued, the Principal shall make reasonable efforts to notify the parent orally of the disciplinary offense, the reasons for concluding that the student committed the offense, and the length of the in-school suspension.

The Principal shall also invite the parent to a meeting to discuss the student's academic performance and behavior, strategies for student engagement, and possible responses to the behavior. This meeting shall be scheduled on the day of the suspension, if possible, or as soon as possible thereafter. The Principal shall also send written notice to the student and parent about the in-school suspension, including the reason and length of the in-school suspension, and inviting the parent to the above described meeting, if such meeting has not already occurred.

PROCEDURES FOR SHORT-TERM, OUT-OF- SCHOOL SUSPENSION

(exclusion of a student from school premises and regular classroom activities for a specified period of not more than ten school days.)

The principal, or his/her designee, may suspend students on a short-term basis. Unless a student poses a danger to persons or property, or the suspension/expulsion is pursuant to M.G.L. c. 71, sect. 37H or 37H 1/2, the student will receive the following prior to a short-term suspension:

1. Oral and written notice of the charges in English and the primary language of the home if other than English. This notice shall include:
 - i. The disciplinary offense;
 - ii. The basis for the charge;
 - iii. The potential consequences, including the potential length of the suspension;
 - iv. The opportunity to have a hearing with the Principal and the parent concerning the proposed suspension, including the opportunity to dispute the charges and to present the student's explanation of the alleged incident;
 - v. The date, time, and location of the hearing;
 - vi. The right of the parent and student to interpreter services at the hearing; and
 - vii. If the student may be placed on a long-term suspension following the hearing with the principal:
 1. The rights set forth under the "Procedures for Long-Term Suspension"; and
 2. The right to appeal the principal's decision to the superintendent.

2. At the hearing, if the student and/or parent elects to attend, the student shall have the opportunity to present his/her version of the relevant facts and any mitigating circumstances. The Principal shall make reasonable efforts to notify the parent orally of the opportunity to attend the hearing. To conduct the hearing without the parent, the Principal must be able to document reasonable efforts to include the parent. The Principal is presumed to have made reasonable efforts if the Principal sent written notice and has documented at least two (2) attempts to contact the parent in the manner specified by the parent for emergency notification.
3. Based on the available information, the Principal shall make a determination as to whether the student committed the disciplinary offences and what remedy shall be imposed. The Principal shall notice the student and parent in writing of his/her decision, the reasons for it, and, if applicable, the type and duration of the suspension and the opportunity to make up assignments and other academic work.
4. If the student is in a public preschool program or in grades K through 3, the Principal shall send a copy of the written determination to the superintendent and explain the reasons for imposing an out-of-school suspension, before the suspension takes effect.

PROCEDURES FOR EMERGENCY REMOVAL

If the student's continued presence poses a danger to persons or property, or materially and substantially disrupts the order of the school and, in the principal's judgment, there is no alternative available to alleviate the danger or disruption, the Principal shall temporarily remove the student from the school. This temporary removal shall not exceed two (2) days following the day of the emergency removal and the superintendent shall be immediately notified of the removal. Additionally, the Principal shall make immediate and reasonable efforts to orally notify the student and student's parent of the emergency removal, the reason for the emergency removal, and the other information required in a short-term suspension notification. The short-term suspension notice shall be provided in writing to the student and parent. The opportunity for a hearing with the Principal shall occur within two (2) school days, unless otherwise extended by the school and parent. A decision regarding the student's continued suspension or other removal shall be rendered the same day as the hearing and written notice shall be provided the following school day. This written notice shall include all the information required based on the type of discipline imposed (short-term suspension, in-school suspension, long-term suspension, or expulsion).

The Principal may also remove a student from privileges, such as extracurricular activities and attendance at school-sponsored events, based on a student's misconduct. This type of removal is not subject to the procedures for suspension and expulsion outlined in this policy.

PROCEDURES FOR LONG-TERM SUSPENSION

(exclusion of a student from school premises and regular classroom activities for more than ten school days.)

The principal, or his/her designee, may issue long-term suspensions at the building level. The Principal may also issue expulsions for the offenses set forth in M.G.L. c. 71, §37H and §37H½. Expulsions for other offenses are handled by the Board of Directors pursuant to M.G.L. c. 76, §16 and §17.

1. In the event of a long term suspension or expulsion, the student will be provided oral and written notice of the charges in English and the primary language of the home if other than English. This notice shall include:
 - i. The disciplinary offense;
 - ii. The basis for the charge;
 - iii. The potential consequences, including the potential length of the suspension;
 - iv. The opportunity to have a hearing with the Principal and the parent concerning the proposed suspension, including the opportunity to dispute the charges and to present the student's explanation of the alleged incident;
 - v. The date, time, and location of the hearing; and
 - vi. The right of the parent and student to interpreter services at the hearing.
5. The Principal shall make reasonable efforts to notify the parent orally of the opportunity to attend the hearing. To conduct the hearing without the parent, the Principal must be able to document reasonable efforts to include the parent. The Principal is presumed to have made reasonable efforts if the Principal sent written notice and has documented at least two (2) attempts to contact the parent in the manner specified by the parent for emergency notification.
2. In advance of the hearing, the student shall have the right to review the student's record and the documents upon which the Principal may rely in making a determination to suspend the student.
3. The student shall also have the right to be represented by counsel or a lay person at the choice and expense of the student/parent.
4. At the hearing, if the student and/or parent elects to attend, the student shall have the opportunity to present his/her version of the relevant facts and any mitigating circumstances. The student shall also have the right to produce witnesses and the right to cross-examine witnesses presented by the school. The student may request that the hearing be audio recorded by the Principal and may request a copy of the recording. All parties must be made aware that the hearing is recorded in advance of the hearing.
5. The parent, if present, shall have the opportunity to discuss the student's conduct and other information, including mitigating circumstances, that the Principal should consider in determining consequences for the student.
6. The Principal shall make a determination as to whether the student committed the disciplinary offences and what consequences shall be imposed. The Principal shall notice the student and parent in writing of his/her decision, including the following information:

- i. The disciplinary offence, the date on which the hearing took place, and the participants in the hearing;
- ii. The key facts and conclusions reached by the principal;
- iii. The length and effective date of the suspension and the date of return to school;
- iv. The notice the student's opportunity to receive education services to make academic progress during the suspension;
- v. The student's right to appeal the principal's decision to the superintendent or his/her designee if a long-term suspension has been imposed. This notice of appeal shall include the process for appealing the decision, which requires the parent or student to file a written notice of appeal with the superintendent within five (5) calendar days of the effective date of the long-term suspension.
 - a. The superintendent shall hold the hearing within three (3) school days of the student's request, unless an extension is mutually agreed to.
 - b. The superintendent shall make a good-faith effort to include the parent in the hearing.
 - c. The hearing shall be conducted to determine whether the student committed the disciplinary offense and, if so, what the consequence shall be. The hearing shall be audio recorded and a copy of the recording shall be provided to the student or parent upon request.
 - d. All the same rights as are afforded in the above long-term suspension principal's hearing shall apply to the student in a superintendent's hearing.
 - e. The superintendent shall issue a written decision within five (5) calendar days of the hearing. If the superintendent determines that the student committed the disciplinary offense, the superintendent may impose the same or lesser consequence than the principal.
 - f. The decision of the superintendent shall be the final decision of the school district.
- vi. If the student is in grades K-3, the Principal shall send a copy of the written determination to the superintendent and explain the reasons for the suspension before the suspension takes effect.

This affirmation shall be updated as per the 105 CMR 201.000 Regulation.

The Superintendent shall maintain or cause to be maintained complete and accurate records of the district's compliance with the requirements of the Concussion Law, and shall maintain the following records for three years or, at a minimum, until the student graduates, unless state or federal law requires a longer retention period:

POLICY ON SEXUAL DISCRIMINATION, INCLUDING SEXUAL HARASSMENT, AGAINST STUDENTS

All persons associated with the Wayland Public Schools including, but not limited to, the Committee, the administration, staff, and students, are expected to conduct themselves at all times so to provide

TITLE IX GRIEVANCE PROCEDURES

These Procedures have been established to ensure prompt and effective investigation into allegations of sexual discrimination, sexual harassment, or sexually harassing conduct against a student by other students, school employees, or third parties, as defined in Wayland School Committee's **Policy on Sexual Discrimination, Including Sexual Harassment, Against Students**.

Preventative Responsibilities

A copy of these Procedures and the Wayland School Committee's **Policy on Sexual Discrimination, Including Sexual Harassment, Against Students** will be distributed to each employee and published on the District's website. A summary of these Procedures will also be included in each school's Handbook.

At the beginning of each school year, Principals shall review these Procedures with employees. The District will also conduct periodic training for all staff on Title IX and sexual harassment.

District employees who witness or learn of potential sexual discrimination, sexual harassment, or sexually harassing conduct against a student shall immediately report said misconduct in accordance with these Procedures. No employee of the District shall destroy evidence relevant to an active investigation of discrimination or harassment.

Procedure for Reporting Discrimination and Harassment

Any individual who believes that a Wayland Public Schools' student has been sexually discriminated against may immediately report the conduct to the Principal of the school building that the student attends. Complaints may also be filed directly with the Title IX Grievance Officer, Assistant Superintendent Brad Crozier, at 41 Cochituate Road, Wayland, MA, (508) 358-3772.

The report/complaint can be written or oral and should include the following information:

1. The name, age, and grade of the student allegedly subjected to sexual discrimination;*
2. A description of the alleged sexual discrimination and/or sexual harassment;
3. The date(s) and time(s) such conduct took place;
4. The location(s) where the conduct occurred;
5. The name(s) of the alleged Harasser(s) or person believed to be discriminating against the student;
6. The name(s) of any witness(es);
7. Action sought to remedy the situation; and
8. Any other details or information that would be useful for the school's investigation.

*The student may request that his/her identity remain anonymous. Please see the section title "Confidentiality," below.

In addition, the complainant should provide the Principal/Title IX Grievance Officer with any documentation (emails, notes, pictures, etc.) or other information in support of the allegation of sexual discrimination and/or harassment.

Investigation of Complaints

Upon receipt of a report or complaint, the District will take interim steps, as necessary, to ensure the safety and well-being of the alleged victim, in addition to the complainant if not the alleged victim, while the investigation is being conducted.

Upon receipt of a report or complaint, the Principal, Principal's designee, or Title IX Grievance Officer shall conduct a prompt investigation. The investigation must allow for the complainant, the subject of the complaint, the alleged harasser, and any other appropriate party to provide information relevant to the consideration and resolution of the complaint. The investigator will also endeavor to promptly interview and obtain detailed written statements from witnesses.

The District reserves the right to immediately inform local law enforcement or other state agencies if the complaint alleges misconduct rising to the level of a state or federal crime. The school-based investigation will proceed whether or not there is a related police investigation; however, the District may defer to requests from law enforcement or other state agencies to coordinate or delay certain aspects of the school-based investigation.

Written Determination

At the conclusion of the school-based investigation, a written determination regarding the complaint and any resolution will be provided by the investigator to the complainant. Except in unusual circumstances, this written determination will be made within thirty (30) school/working days of District's receipt of the complaint. The complainant may also meet with the investigator to review the investigation's findings.

If the school-based investigation determines that sexual discrimination, including sexual harassment, has occurred, the District will take steps to immediately eliminate the discriminatory conduct, prevent its recurrence, and correct its discriminatory effect on the student(s) affected. Such steps may include disciplinary action, counseling support, development of a safety plan, and other remedies as appropriate.

The complainant may request reconsideration of the determination and/or resolution of a complaint by notifying the Superintendent in writing or verbally within seven (7) school/working days of receipt of the written determination of the investigator. The Superintendent's decision shall be final.

Consequences of Violating Policy - Discipline & Discharge

(Note: students with Disabilities will be subject to the District's applicable disciplinary procedures, which adhere to the Individuals with Disabilities Education Act and Section 504 of Rehabilitation Act of 1973.) In appropriate circumstances, the District may also refer the matter to law enforcement officials for possible prosecution.

Please note that, since student and personnel records are confidential, the District cannot inform the complainant of disciplinary action taken against the respondent.
