Q GERMIE THE WORMY #2 BY SOPHIE ENGLEHARDT

Qermie was dressed in a tuxedo and tie, and he did not like it one bit. How did this happen you may ask. Well it's a long story and this looks like a great place to start. Two months after the hand washing incident, Qermie was called into the town center. The mayor said, "Qermie the wormy, your long-lost mom is a queen! That of course means that you are a prince". WOW thought Qermie that means I get lots of money he thought I will be happy! But he never would have guessed what would happen next...

As Qermie arrived at the palace his great grandmother came rushing out the doors! Oh, she went you are disgusting come inside, Come inside you must get bathed immediately. As Qermie entered the palace he saw a giant soaring bird just like the lump of soap he had thought was a bird! He heard the bird cackle evilly. Ooooh Qermie shivered he ran inside and saw the grandmothers duck sitting on a satin pillow. Come take a bath dearie, said the grandmother. NO said Qermie I will not. The mother and father standing in the doorway fainted in fright. No, gasped the grandmother (nobody said no to her) her voice slowly rose NO she said well of with your head! Qermie was scared, off with my head he thought, I must do something! So quickly he hatched a plan it was: RUN. So Qermie sprinted out of the palace doors amazingly fast for a worm. As soon as Qermie got outside he started dancing! But Qermie was not looking where he was going for he fell into the pond. He gurgled and tried to stay above water when he heard a mysterious voice "need some help?" Qermie looked up there was a beautiful duck above him "no.....yes" Qermie sputtered. "Well hop on said the duck Qermie quickly leaped on. The duck seemed as if he had jet propel engines attached to his back. Qermie was delighted. The duck zoomed into the castle grabbed Qermie's father did a lot of zooming to show off and after he was finished zooming he dropped Qermie and his father off at their house. The duck moved right into the house and was treated like royalty and they were all very happy!!!!
